**Dear Fellow Toastmasters and Guests,**

Speech contests are important parts of the Toastmasters International educational program. Speech contests provide an opportunity for speakers to gain contest experience and feature interesting educational programs for Toastmasters members. They also allow those Toastmasters and guests who are not participating in contests to learn by observing the speakers.

The contests are organized twice a year (Spring and Autumn). The Spring contests offer the International Speech Contest and Evaluation Contest, whereas the Autumn contests consist of the Humorous Speech Contest and Table Topics Speech Contest. The winners of the club contests represent the club at the Area D4 contests, the Area D4 winners at the Division contests, and the best speakers compete at the District conferences for District 59 (continental Europe). *Queen's Town Toastmasters International Club* is pleased to invite you to this special Toastmasters event.
